West sock

I love handdyed yarn, but the prize might put you off a bit. They ARE worth every penny and I'm every time surprised that I can knit so much from one single skein. I also love socks with a different colors on cuff, heel and toe, which makes the fancy skein last for more projects. My thumb has been bothering me for a while, so I wanted to make a simple sock with only knit and purl. I actually love how this simple pattern turned out so stay tuned for more simple patterned socks! ☺

Material

Yarn: Color 1: 1 skein (100 gram = 425 meters) Luxury Sock from Schwedenrot Yarns, color Sage Vintage. Color 2: 1 ball of Arwetta, green, color number 146.

Knitting needles: Doublepointed 2,0 mm for the cuff and 2,5 mm for the rest of the sock.

Gauge: 28 sts/10 cm with needles 2,5 mm (stockinette).

Size: Adults size. I've made these in two sizes, 37 and 42, and they knit the same expect the length of the foot, and I explain how to adjust size in this chapter.

Other stuff: Scissors, needles to sew in ends and maybe a marker for beginning of round.

Pattern "Rib Check":

Pattern is divisible by 10.

Rounds 1-5: *(k1tbl, p1) twice, k1tbl, p5*. Rep *-* until end of round.

Rounds 6-10: *p5, (k1tbl, p1) twice, k1tbl*. rep *-* until end of round.

Abbreviations:

k = knit

p = purl

k1tbl = knit through back loop.

Ssk = slip, slip, knit (slip one knitwise, slip another one knitwise, slip both twisted stitches back to left hand needle, and knit them together through the back loop.)

k2tog = knit 2 stitches together.

rep = repeat

Cuff:

With knitting needles 2,0 mm and color 2, cast on 60 stitches. I distribute the stitches on three needles and knit with the fourth. Place a marker if you like, for beginning of round. k2, p2 for 15 rounds (approx. 3,5 cm)

Leg:

Change to needles 2,5 mm and color 1.

Knit one round.

Then, follow the Rib Check pattern. I repeated the 10 pattern rounds a total of 5 times, which measures 15 cm from the cast on-edge. You can choose to make fewer or more rounds if you like.

Preparations for heel:

Knit a scrap yarn (I highly recommend the yarn to be a very different color than the working yarn) over the first 30 stitches. At the same time I rearrange the stitches so that these 30 stitches are on the same needle. They make the underside of the foot and are from now on only knit (no pattern).

The rest of the stitches (evenly distributed on two needles) are continued to knit in pattern.

Foot:

Continue to follow the pattern on the toppart of the foot and, knit stockinette on the bottomstitches.

This is when to decide the size of the sock.

For size 37 I knit 14 cm from heelpreparationyarn and for size 42 I knit 16,5 cm. The toe and heel will measure almost 10 cm together.

Toe:

Make sure your stitches are distributed like this before you start:

Needle 1: bottomside's 30 stitches.

Needle 2: 15 stitches.

Needle 3: 15 stitches.

Change to color 1, and keep the start of the round in the same place as before.

Round 1:

K every stitch.

Round 2:

Needle 1: K1, ssk, k until 2 sts remain, k2tog.

Needle 2: K1, ssk, k remaining sts on needle

Needle 3: k until 2 sts remain, k2tog.

Repeat these 2 rounds a total of 9 times and then knit round 2 (only) 3 rounds. When 12 sts remain: cut yarn and pull through remaining sts.

Heel:

Distribute the heel stitches on three needles. Make sure the top and bottom both have 30 sts each.

Needle 1: 30 stitches (bottomside)

Needle 2: 15 stitches

Needle 3: 15 stitches.

Repeat the same 2 rounds as for the toe, until 10 sts remain on the bottom, and the same amount of sts on the top.

Use Kitchener stitch to sew the sides together invisibly. Make sock 2 the same way.
