I've designed this square to celebrate Grannysquareday 2023. You can use any yarn with suitable hook.

Material

Yarn: Any yarn, I've used scraps of Catona.
Color 1: darkgrey, color 2: salmon, color 3: white
Hook: I think 3 mm works well with Catona.
Size: My square is 9,5x9,5 cm. Size will very depending om yarn used.

Good to know:

I start all rounds with a standing stitch (depending on which stitch is stated in pattern) and I end all rounds with an invisible join. It will not be written out in pattern. If you choose to begin rounds with chains and end with a slipstitch, that is absolutely fine.

Pay attantion to where the stitch is made: front or backloop.
